

## Great Location - Many Usages

Originally a bank, this solid building is in a super central Main Steet location - opposite IGA and with an access lane down the side the huge Woolworths carpark isn't far away either. This is a secure building with excellent front and rear access and over 180 square metres of floor space. Made comfortable year round with gas central heating and air conditioning the ground floor includes a reception area, front desk, manager's office, meeting room, multi-purpose common room and a massive Chubb walk-in strong room. Upstairs there are male and female toilets, two storerooms, a kitchenette and rather impressive views.
