## Dont Wait Any Longer

This solid brick veneer home is as neat as a pin, has plenty of space and is well located on a large size block of 1190 square metres. The vendors have worked tirelessly to give the home a fresh new feel with new paint inside and out, resurfacing of the hardwood floors, vinyl wrap to kitchen cabinetry, new window coverings and hours spent in the garden. The home includes full house evaporative air conditioning, gas heated sunken lounge which has been freshly painted, generous kitchen with all new marbled look bench tops with gas cooking and a walk-in pantry and dining area. Three bedrooms all with built-in robes and near new carpet, a study or 4th bedroom, bathroom with a separate shower and bath, and an additional toilet & laundry with built-in storage. Outside you will find an under roof single garage, new pizza oven and barbeque area, cemented paths and a 30'x 20' workshop with power & remote control door.
