Invest In Your Investment

These units are desperately needing some TLC. However, there is huge potential to earn an excellent rental return with some work and money invested into the property. The property consists of three 3 bedroom units each with their own carport. Internally the properties need a complete overhaul but the floorplan is functional. Each unit has a large living room, bathroom with shower, sink and separate toilet, kitchen with laundry. Located between the town centre and walking distance to Stawell's biggest employer these unit's would make a sound investment. All 3 units are currently leased periodically, vacant possession can be offered.
