It's Good To Be Home

Inside and out this lovely, solid property has style and will appeal if you appreciate a light and bright home with space and a number of extras that really add value.

The north facing front verandah welcomes you as you wander inside and appreciate the clever floorplan that includes three generous double bedrooms. The main bedroom features a huge walk-in robe and direct access to the bathroom while bedrooms two and three both have built-in robes.

The hub of the home is the very tasteful, open and bright lounge, dining and kitchen space totaling over ninety square metres that includes gas cooking, dishwasher, excellent cupboard space and a split system reverse cycle air conditioner for year round comfort.

The upgraded tiled bathroom is also a highlight with plenty of space for a relaxing full bath, separate shower recess, custom vanity and dual access.

Excellent fencing provides security and privacy and the fully made rear lane provides access to the six by six metre shed on slab. Inspection highly recommended.
