3 Mareli Street, Stawell

Style with Substance

An extremely handy mid-town location on a quiet no through road this lovely and private four bedroom family home has been both extended and renovated and has much to recommend it.

These chilly mornings are no problem with full house gas central heating and two split system air conditioners and, although it might seem a long way off, summer living with shady verandahs, air conditioning, overhead fans and insulation is comfortable as well.

The floor plan boasts built-in robes in three of the four bedrooms, comfortable lounge room opening to the outdoor area, recently upgraded kitchen with excellent cupboard space, gas hot plates, electric oven and a dishwasher. Adjoining the kitchen is a generous family dining area on practical polished floor boards. There are two separate toilets, great storage space, delightfully tiled bathroom with a full size bath and a separate shower.

The block allows off street parking for two cars, has a private and well fenced yard as well as a workshop and separate storage shed.
